

## Program on Credit and NPA Management February 1-3, 2017

### Program Description

Indian Banks are presently faced with a big challenge on account of deteriorating asset quality and increase in stressed assets. The rising provisioning required on account of high level of NPAs adversely affects the profitability and capital level of banks. The need of the hour is to have an effective credit and NPA management system in banks so as to bring down the level of NPAs and also safeguard against accretion of new NPAs.

### Program Objective

The objective of the program is to enhance the skill level of senior officers of commercial banks in the area of Credit and NPA management. The focus will be on understanding the issues involved in credit appraisals, credit risk management systems and improving the effectiveness of recovery of NPAs by appreciating the various menu of options available.

### Participants' Profile

Senior officers at the level of DGM or equivalent and above who are involved with credit, recovery/stressed assets and risk Management functions of commercial banks.

### Program Conditions

- Program fee is payable before the program.
- Nomination may be cancelled up to five days before the program.
- Organisation may depute another senior officer for the program, if the nominated officer cannot attend the program.
