Highlights of Seminar on System Identification of NPAs, Mumbai

Seminar on System Identification of NPAs

Department of Banking Supervision, RBI
In collaboration with
Centre for Advanced Financial Research
and Learning

February 09, 2017
Mumbai, India

Smt. Meena Hemchandra, Executive Director, Reserve Bank of India at Seminar on System Identification of NPAs, Mumbai

A Seminar on Systems based recognition of NPAs in banks was organized in collaboration with Department of Banking Supervision (DBS), Central Office, Reserve Bank of India on February 9, 2017 for discussing and showcasing best practices being followed and desired. The participants of the program were selected by Department of Banking Supervision (DBS), RBI, Central Office representing senior officials handling NPA management along with their NPA Management team. The keynote address by Executive Director Smt. Meena Hemachandra led the way to meaningful exchange and discussions during the day. Specific issues and problems in handling consortium NPA advances were discussed and many participants shared their views. Presentation by DBS regarding issues and concerns observed in identification of NPAs was deliberated exhaustively. Three representative banks (SBI, HDFC Bank and ICICI Bank) made presentations on their technology systems for identification of NPAs which helped in guiding and cross learning.

A NPA identifications solution provider and a CBS cum NPA identification solution provider made detailed presentations on capabilities built in their solutions which can help the banks in their task.
