MSMEs contribute nearly 8% of India's GDP. The entities operating in this sector span several industries and face a large number of issues ranging from insufficient funds to insufficient supply skilled labor and management talent. The goal of the conference was to discuss innovative, practical and scalable solutions for robust MSMEs financing practices.

Advanced Program on Project and Infrastructure Financing

April 22-24, 2015 at Lonavla. This is a residential program.

The objective of the program is to equip the participants with effective credit appraisal skills for project and infrastructure financing, through classroom sessions and case studies. The aim is to enable the participants to appreciate and understand the various risks involved in project and infrastructure lending. Ms. Margaret Osius will be the trainer for this 3-day program that is designed for senior executives of commercial banks, financial institutions and RBI.

We welcome you to participate in creating CAFRAL's 'Calendar of Programs'

CAFRAL is in the process of preparing the 'Calendar of Programs' for the year 2015/16 and would announce the same in advance so that banks and financial institutions can plan in advance and nominate their officials. CAFRAL therefore, requests all banks/financial institutions to suggest which new programs should be included in the Calendar so as to meet the emerging needs of the Financial Sector so that banks and financial institutions can plan their training plan for their Senior management.
