

CAFRAL Advanced Management follow up Program

Nominations now open. **NOMINATE NOW**

The Centre for Advanced Financial Research and Learning had conducted the Advanced Management Programs in association with Smith School of Business, University of Maryland and New York University Stern School of Business during the last three years for senior officers of commercial banks, Financial Institutions and Reserve Bank of India. A follow up program is now being organised for the participants of these programs.

Objective:

The objective of the program is to reinforce the learnings of Advanced Management programs as also provide a continuous education to the participants of these programs. There would be discussions /presentations and brainstorming on current issues and challenges faced by financial lenders like credit risk & stressed assets management, interest rate risk management, governance & business strategy/turnaround strategy, etc.
