March 2016
Calendar of Programs

We welcome you to participate in the creating CAFRAL's 'Calendar of Programs' for 2016-17

As you may be aware, the Centre for Advanced Financial Research and Learning (CAFRAL) is an independent body set up by the Reserve Bank of India (RBI) with a view to develop into a world class global institution for research and learning in banking and finance. The Governor of RBI is the Chairman of the Governing Council of CAFRAL. CAFRAL's learning arm is engaged in conducting seminars, conferences and other learning programs that serve as a platform for exchange of high-level policy dialogues between the various stakeholders by bringing together regulators, policy makers, bankers, academicians, researchers and practitioners. It also conducts advanced programs for enhancing professional capabilities of senior executives in the financial sector.

While preparing this year's calendar of programs, we feel that it would be appropriate if we could know directly from banks and financial institutions about the training needs of their senior officers to enable us to design and conduct suitable programs to meet these training needs. We would very much appreciate if your bank could provide us details as per the form by clicking on the button below latest **by March 21, 2016**.
